

Heathcoat Primary School

This is Heathcoat Primary School's Publication Scheme for information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available for you on our website to download and print off, or is available in paper form at the school's main office, in the reception area.

Some information which we hold may not be made public, for example personal information or 'Part Two' committee minutes, which are confidential.

Heathcoat Primary School's publication scheme, conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school aims briefly, are to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work,

and this publication scheme is a means of showing how we are pursuing these aims.

See school website for Vision, Values & Aims

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.
