

Sports Premium Funding 2016- 2017

Our aim is to ensure facilities and equipment enables ALL pupils to engage fully in all PE lessons.

To support and develop staff PE knowledge when planning and assessing, and encourage members of staff to promote extra-curricular clubs and increase participation levels.

To build interest and vital links into the community, promoting clubs and supporting children to develop their interest and skills.

To develop the Swimming syllabus, aiming towards the Devon 100, incorporating an annual swimming gala to develop talent, strength and confidence encouraging local swimming representation.

To build our Outdoor and Adventurous curriculum, developing Moorland Walking, following the success of our first representation in the annual 2015 Exmoor Challenge. We trained and entered two Year 6 teams who successfully completed the 16 mile independent route across the challenging terrain of Exmoor.

To develop our orienteering activities across all year groups and build on the foundation of our forest schools programme.

To give pupils who enjoy and perform gymnastics the opportunity to compete in local and regional competitions in floor and vault.

To educate children and families about the importance of getting active and about the potential health risks associated with a sedentary lifestyle.

To encourage children to become play leaders and young ambassadors building children's confidence enabling them to engage with other children and aid self-esteem.

On the next page we have outlined how Heathcoat Primary School have allocated their PE Premium Fund.

The following breakdown is how we intend to spend the funds during 2016/17.

Sports Premium Funding 2016- 2017

Total PE Premium Fund	£ 9500	
Intended Impact	Funds Allocated	Actual Impact
To maintain high levels of subject knowledge and awareness of the new curriculum programme and assessments.	£4252	One afternoon a week over 38 weeks of the year to cover PE Subject Leader. This will enable the subject leader to be released from full time teaching commitments to support, plan, and train staff with delivery of high quality PE lessons. Additional duties include the administration of timetabling the extra-curricular clubs, organisation of club lists, entering teams into local and regional competition, risk assessments, updating the website with photographs and reports from fixtures. Collecting and analysing data used to track levels of attainment across the PE Curriculum and levels of representation within extra-curriculum activities. To tackle inactivity levels of pupils and action a healthier approach towards an active life within a non and competitive environment. To enable Subject Leader to attend local seminars and training to maintain their own professional development and awareness of PE, in order to facilitate high standards of primary physical education. Minibus qualification to transport teams and participants to sporting fixtures/events.
To hire transportation to drive representatives of Heathcoat Primary School to a broad and balanced provision of competitive opportunities across numerous sporting disciplines in the local area.	£220	To ensure pupils compete in numerous local and regional competitions in order to develop their talent.
PE Curriculum resources and extra-curricular activities are equipped with enough resources to develop children's progress and not impeded by poor or inadequate amount of resources.	£3000	All children can access high level learning in PE lessons and during extra-curricular activities.
Hiring local Swimming Pool to ensure all pupils become water confident and aware of the hazards of living in the vicinity of a canal, river and seaside.	£2000	Introducing the swimming curriculum as early as Year 2 then throughout the remaining school experience annually. To ensure all pupils within our school are aware of the risk of playing near water and develop proficient skills in water confidence and how to help anyone in trouble in the water.
Affiliation to British Gymnastics Association	£28	To enable pupils the opportunity to represent in local and regional gymnastic events including the South West Floor and Vault competition. Where we entered for the first time and had successful individual and team performances in January 2015.
