Pastoral Support– In our mental health and well being session last week the children talked about changes particularly focusing on transition and the change they will be making to the next year group. We have discussed what the children may need to know to move on and also what makes a change easier to cope with. If your child has any concerns in this respect, please speak to their class teacher or a member of the pastoral team.

Number 7 and 8 on our list of the 10 things we should be doing daily to help our mental and physical health are 'Staying connected to those you care about' and 'Ask for help'.

Message from Miss Higginson

All the children took part in sports day last week competing in a range of races to earn points for their house. Well done to all the children for taking part and persevering to finish a race even when they were finding it difficult. The points were shared in assembly on Friday and Lowman was announced as the winning house. Well done to all the children in Lowman.

This year sports day was slightly different as we had all children racing on the same day and you had the opportunity to stay for lunch. It was a lovely atmosphere during the day and at lunch time and many of you commented that you had really enjoyed the day. We are already thinking about next year and would value any feedback about 'what worked well' and 'even better if...' If you have any feedback please let me or Mrs Soper know.

Thank you to the Friends who provide refreshments during the day.

Finally, a huge thank you to all of you, who came along to cheer the children on and help the day run smoothly.

SATs Question - Taken from the Key Stage 2 Mathematics reasoning paper for 2 marks.

A toy shop orders 11 boxes of marbles.
Each box contains 6 bags of marbles.
Each bag contains 45 marbles.

How many marbles does the shop order in total?

Answer to last week's question-

They went to the theme park– the car journey home was difficult.

Wow Slips -

Oran Furphy– has been a resourceful raccoon by doing some fabulous cleaning around the house to earn some money to buy a new toy.

Daisy & Bradley Williams-were resilient rhino's by over coming their fears, not giving up and taking part in races on sports day.
