Message from Mrs Budden

Welcome back and I hope you had a relaxing half term.

During this term we are looking forward to welcoming Parents and Carers into school to join the children for 'Parent days' and 'See how we Learn' sessions. These sessions will give you an idea of how the children are taught in different areas of the curriculum and provide you with ideas of how you can continue to support their learning at home. We really appreciate the help and support you provide and believe it is a valuable experience for children to work closely with parents in school, sharing ideas and skills.

The safety of parents and children is paramount, so with this in mind, please can we ask that when dropping off and collecting children from school that parents park in a safe manner on Broad Lane or use the Community Centre car park in King Street. There has been reports of cars blocking entrances and exits to driveways, parking on yellow lines and in disabled bays. The parking issues have been raised with the local Police who are looking to offer some support to ensure the safety of all.

We would like to ask parents, family members and friends of the school for your help. Would you be able to support us by being part of the 'Friends of Heathcoat?'

Our aim this year is to gain as much support from the community and to raise money for the benefit of the children at Heathcoat Primary School. The money raised by the 'Friends' plays a vital part in enhancing the children's learning. Last year they provided funds towards school trips, educational visitors, playground resources and much more. If you are interested in being part of 'Friends of Heathcoat' please contact the school office.

Congratulations to the following pupils who have demonstrated their building learning powers in various different activities outside of school.

FSG- Beatrice for completing her first term at Boogie Bounce Kids which has helped her achieve balance co-ordination and confidence.
