Crossing patrol - Just a reminder that we don't have any crossing patrol provision at the moment. Children and parents need to take extra care when crossing the roads. Can all drivers please drive with additional care on the streets around school.

Transition - Children in reception to year 5 will spend the morning with their new teacher on Thursday morning. You are invited to come along between 2 and 3 on Thursday afternoon to find out more about the learning and expectations for the coming year. Please can you all leave the building by 3pm so that we can get all the children ready for home time. There is also a drop in session on Monday 8th July from 3.30 to 4.30 for you to meet with your child's current teacher or the teacher for next year.

Safeguarding - Please can we remind parents to ensure the gate is closed behind you if you are given entry to the schools grounds. This especially applies to parents who are dropping off or collecting nursery children over lunchtime. The gate needs to be firmly closed so it remains locked and please don't hold the gate open for others. This is to ensure the safety of all pupils.

Year 3 Persuasive Writing - As part of a recent unit on persuasive writing, 3S wrote open letters to their parents, attempting to persuade them that children of 7 or older should choose their own (later!) bedtimes. Olivia was Learner of the Week for her brilliant effort, which can be seen below. Can you spot any persuasive language or techniques she used?

Dear mum and dad,

I am writing to you because I think children of 7 and older should choose their own bedtime.

Firstly, I can help you responsibly, like helping with dishes and with packed lunches. If my friend can stay up and help her mum, can't I too? You will have extra time to watch TV and read. How lovely would that be?

Secondly, if you let me stay up we can play board games, tell spooky stories and watch movies. How boring would it be if you had to go straight to bed and go to sleep with Billy instead of playing games and watching movies?

Thirdly, getting reading done in the lounge is so much better than reading in bed. It will help me to spell hard words, learn and you can listen to me read while you're feeding Billy. You know I'm right! I can choose my own bed time so please let me and I will get Billy dressed and Charlie's hair done!

Love Olivia
