Friends of Heathcoat

We would like to call out to parents, family members, friends of the school and ask for your help. Would you be able to support us by being part of the 'Friends' of Heathcoat? We are a group of parents, grandparents and friends of the school who meet usually once or twice every half term. The meetings are very informal, where we plan fundraising events for the school.

Our aim this year is to gain as much support from the community to raise money for the benefit of the children at Heathcoat Primary School. The money raised plays a vital role in enhancing the children's learning and experiences, where last year we provided funds towards school trips, theatre productions, educational visitors, playground resources, new nursery bikes and much more.

We are not asking you to give more time than you are able to, sometimes just a fresh point of view and a new idea is all it takes. Our next meeting will be on Wednesday 29th January at 6.30pm in the school community room.

If you have any questions, please do not hesitate to contact the school office, speak to Miss Neale or email us at: friends@heathcoat.devon.sch.uk

We look forward to seeing you there!

NEWS

Bikeability- Just a reminder to the parents of children who are taking part in bikeability session this week. Please could your child's bike be taken and parked in the marked group area by the school bike shed on their allocated day (see child's letter of session days). All bikes will need to have a name label attached to the handle bars and the children will need to take their named helmet into class.

Site security- Please remember that the school site is private property and is therefore not a public right of way. Only parents coming to collect children should enter the school site. It is not a short cut to the park.

Lunchtimes

As part of our lunchtime provision we would like to make a pebble/stone collection. These will be stored in a box/basket and the children can use their imaginations to use them however they want. They might build them into a tower, use them to make a pattern picture. Some pictures below illustrate some possibilities - the only limit is their ideas! If you have any smooth pebbles or interesting stones at home, please send them to school with your child.

We are also looking for children's medicine syringes (the kind that you might get in calpol). If you have a spare one lying around at home, please can you send it in this week with your child. They can give the syringes and stones to their teacher or straight to Mrs Budden/Miss Neale.

Halberton new Scout Group are hosting some taster sessions. If your child is aged 6-8yrs old there are some taster sessions happening on Tuesday evenings 5:30 – 6:30pm for the next couple of weeks. If your child is 8 – 10 ½ there are some taster sessions happening on Tuesday evenings 6:45 – 8pm for the next couple of weeks. If you are interested in attending these please contact Danielle Doyle on Danielle.doyle@scouts.org.uk

If you have a child aged 10 ½ - 14yrs old and you'd be interested in some taster sessions happening for Scouts, we have a programme planning meeting on Wednesday 15th January at Halberton Scout HQ, EX16 7AE at 6pm. Halberton Scouts are trying to plan taster sessions and would like to see if they have enough adult support to do this. This is a meeting for any adults interested in helping at Scouts. If you or someone you know is interested in volunteering then please get in touch via Danielle.doyle@scouts.org.uk or come along on Wednesday.
