

## Unicorn wishes

If unicorns were real (which they are) and could grant you three wishes, what would you wish for?

Explain why you would want these wishes and how they would make a difference to you or your life.

One day, while out walking, you find a large, very unusual egg laying on the ground. Suddenly the egg starts to move and roll around. Carefully you bend down to look closely at the egg, You can hear small noises coming from inside the egg and a strange tapping sound. Picking up the egg, you run home as fast as you can and hide it in you bedroom.

What happens next in the story?

What is inside the egg?

What happens when it hatches?

Do you tell anyone else about the egg?

Write me the story of the egg, the title could be based on what is inside it.
