

Year: Reception	Autumn Term		Spring Term		Summer Term	
	1	2	1	2	1	2
Topics These may vary over the year due to COVID restrictions and children's interests	<ul style="list-style-type: none"> Hope the rainbow fairy (book) Families/pets European language day (26th Sep) Food & farming/harvest <p>RE- F4- Being special- Where do we belong. What makes me special?</p> <p>Real PE- Personal Cog-Wk 1-3 FUNS 10,Wk 4-6 FUNS 1,Wk 7 Assessment</p> <p>PSHE- Being me in my world.</p> <p>Music – exploring rhythm</p>	<ul style="list-style-type: none"> Light and dark/seasons Fireworks Diwali (14th Nov) Anti- bullying week & road safety week (16th-20th Nov) People who help us Christmas <p>RE- F2-why is Christmas so special for Christians?</p> <p>Real PE- Social Cog-Wk 1-3 FUNS 6, Wk 4-6 FUNS 2</p> <p>PSHE- Celebrating difference</p>	<ul style="list-style-type: none"> Toys The gingerbread man Friends (mental health week 3rd-9th Feb) Growing Chinese New Year (12th Feb) <p>RE- F1- Why is the word God so important to Christians?</p> <p>Real PE- Cognitive Cog-Wk 1-2 FUNS 5, Wk 3-4 FUNS 4, Wk 5 Assessment, Wk 6 Games</p> <p>PSHE- Dreams and goals</p>	<ul style="list-style-type: none"> Being healthy World book day (4th March) Mother's Day (14th March) Rhyme/ poetry week (20th March) Easter <p>RE- F3- why is Easter special for Christians?</p> <p>Real PE- Wk 1-2 FUNS 9, Wk 4-5 FUNS 7, Wk 6 Assessment</p> <p>PSHE- Healthy me</p>	<ul style="list-style-type: none"> Superheroes & on the move This is my body/Sports Around the world/holidays <p>RE- F6- which stories are special and why?</p> <p>Real PE- Physical Cog- Wk 1-2 FUNS 8, Wk 3-4 FUNS 12, Wk 5 Assessment</p> <p>PSHE- Relationships</p>	<ul style="list-style-type: none"> Under the sea (8th June) Rainforests Changes <p>RE- F5- which places are special and why?</p> <p>Real PE- Health & Fitness Cog-Wk 1-2 FUNS 11, Wk 3-4 Sports Day, Wk 5-6 FUNS 3, Wk 7 Assessment</p> <p>PSHE- Changing me</p>
Dates/events						
Prime Areas:						
Personal, social and emotional development	<p><u>Making relationships (40-60 months):</u> Initiates conversations Attends to and takes account of what others say</p> <p><u>Self-confidence & self-awareness:</u> Confident to speak to others about own needs. Introduce class rules and behaviour scheme. TRAIN</p> <p><u>Managing feelings and behaviour:</u> Understands that own actions affect other people for example: becomes upset or tries to comfort another child when they realise they have upset them. Aware of boundaries set and behavioural expectations in the setting.</p>	<p><u>Making relationships (40-60 months):</u> Initiates conversations Attends to and takes account of what others say</p> <p><u>Self-confidence & self-awareness:</u> Confident to speak to others about own needs. Introduce class rules and behaviour scheme. TRAIN</p> <p><u>Managing feelings and behaviour:</u> Understands that own actions affect other people for example: becomes upset or tries to comfort another child when they realise they have upset them.</p>	<p><u>Making relationships (40-60 months):</u> Takes steps to resolve conflicts with other children, eg find a compromise.</p> <p><u>Self-confidence & self-awareness:</u> Confident to speak to others about own needs, wants and interests. Can describe themselves in positive terms and talk about abilities.</p> <p><u>Managing feelings and behaviour:</u> Beginning to be able to negotiate and solve problems without aggression, eg when someone has taken their toy.</p>	<p><u>Making relationships (30-50/40-60 months):</u> Takes steps to resolve conflicts with other children, eg find a compromise.</p> <p><u>Self-confidence & self-awareness:</u> Confident to speak to others about own needs, wants and interests. Can describe themselves in positive terms and talk about abilities.</p> <p><u>Managing feelings and behaviour:</u> Beginning to be able to negotiate and solve problems without aggression, eg when someone has taken their toy. Jigsaw – Healthy me</p>	<p><u>Making relationships (ELG)</u> Explains own knowledge and understanding, and asks appropriate questions of others Children play co-operatively, taking turns with others. They take account of one another's ideas about how to organise their activity. They show sensitivity to others' needs and feelings and form positive relationships with adults and other children.</p> <p><u>Self-confidence & self-awareness:</u> Children are confident to try new activities and say why they like some activities more than others. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their</p>	<p><u>Making relationships (ELG)</u> Explains own knowledge and understanding, and asks appropriate questions of others Children play co-operatively, taking turns with others. Jigsaw - Celebrating difference	Jigsaw – Dreams and goals		<p>speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help.</p> <p>Managing feelings and behaviour: They work as part of a group or class and understand and follow the rules. They adjust their behaviour to different situations and take changes of routine in their stride.</p> <p>Jigsaw – changing me</p>	
					<p>Managing feelings and behaviour: They work as part of a group or class and understand and follow the rules. They adjust their behaviour to different situations and take changes of routine in their stride.</p> <p>Jigsaw – relationships</p>	
Communication and language	<p><u>Listening and attention (40-60 months):</u> Maintains attention, concentrates and sits quietly during appropriate activities.</p> <p><u>Understanding:</u> Responds to instructions involving a 2-part sequence. Listens and responds to ideas expressed by others in conversation or discussion.</p> <p><u>Speaking:</u> Extends vocab, especially by grouping and naming exploring the meaning and sounds of new words. Uses language to imagine and recreate roles and experiences in play situations.</p>	<p><u>Listening and attention (40-60)</u> Maintains attention, concentrates and sits quietly during appropriate activities. <u>Understanding:</u> Responds to instructions involving a 2-part sequence. Listens and responds to ideas expressed by others in conversation or discussion.</p> <p><u>Speaking:</u> Extends vocab, especially by grouping and naming exploring the meaning and sounds of new words. Uses language to imagine and recreate roles and experiences in play situations.</p>	<p><u>Listening and attention (40-60 months):</u> Two-channelled attention – can listen and do for short span. They listen to stories, accurately anticipating key events and respond to what they hear with relevant comments <u>Understanding:</u> Understands humour, e.g. nonsense rhymes, jokes.</p> <p><u>Speaking:</u> Links statements and sticks to a main theme or intention. Uses talk to organise, sequence and clarify thinking, ideas, feelings and events. Introduces a storyline or narrative into their play.</p>	<p><u>Listening and attention (40-60 months):</u> Two-channelled attention – can listen and do for short span. 					narratives and explanations by connecting ideas or events.	explanations by connecting ideas or events.
Physical development	<p><u>Moving and handling (40-60 months):</u> Experiments with different ways of moving. Negotiates space successfully when playing, racing and chasing games with other children, adjusting speed or changing direction to avoid obstacles. Travels with confidence and skills around, under, over and through balancing and climbing equipment. Uses simple tools to effect changes to materials. Shows a preference for a dominant hand. Begins to use anti clockwise movement and retrace vertical lines. Begins to form recognisable letters.</p> <p><u>Health and self-care:</u> Usually dry and clean during the day. Shows understanding of the need for safety when tackling new challenges and considers and manages some risks. Shows understanding of how to transport and store equipment safely. Practises some appropriate safety measures without direct supervision.</p>	<p><u>Moving and handling (40-60 months):</u> Experiments with different ways of moving. Shows understanding of the need for safety when tackling new challenges and considers and manages some risks. Shows understanding of how to transport and store equipment safely. Practises some appropriate safety measures without direct supervision.</p>	<p><u>Moving and handling (30-50 months):</u> Jumps off an object and lands appropriately. Shows increasing control over an object in pushing, patting, throwing, catching or kicking it. Handles tools, objects, construction and malleable materials safely and with increasing control. Uses a pencil and holds it effectively to form recognisable letters, <u>Health and self-care:</u> Eats a healthy range of foodstuffs and understands need for variety in food. Shows some understanding that good practices with regard to exercise, eating, sleeping and hygiene can contribute to good health.</p>	<p><u>Moving and handling (30-50/40-60 months):</u> Jumps off an object and lands appropriately. Shows increasing control over an object in pushing, patting, throwing, catching or kicking it. Handles tools, objects, construction and malleable materials safely and with increasing control. Uses a pencil and holds it effectively to form recognisable letters, <u>Health and self-care:</u> Eats a healthy range of foodstuffs and understands need for variety in food. Shows some understanding that good practices with regard to exercise, eating, sleeping and hygiene can contribute to good health.</p>	<p><u>Moving and handling (ELG)</u> Uses a pencil and holds it effectively to form recognisable letters, most of which are correctly formed. Uses a pencil and holds it effectively to form recognisable letters, most of which are correctly formed. <u>Health and self-care:</u> Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.</p>	<p><u>Moving and handling (ELG)</u> Uses a pencil and holds it effectively to form recognisable letters, most of which are correctly formed. Uses a pencil and holds it effectively to form recognisable letters, most of which are correctly formed. <u>Health and self-care:</u> Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.</p>
Specific Areas:						
Literacy	<p><u>Reading (40-60 months):</u> Continues a rhyming string. Hears and says the initial sounds in words. Can segment the sounds in simple words and blend them together</p>	<p><u>Reading (40-60 months):</u> Continues a rhyming string. Hears and says the initial sounds in words. Attempts to write short sentences in meaningful contexts.</p>	<p>their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.</p> <p>Writing (ELG) Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.</p>	<p>hygiene and personal needs successfully, including dressing and going to the toilet independently.</p> <p>Writing (ELG) Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.</p>
<p>Mathematics</p>	<p><u>White Rose – Getting to know and Just Like me!</u></p> <p><u>Number - Match, sort and Compare amounts</u> Uses some number names and number language spontaneously. Uses some number names accurately in play. Recites numbers in order to 10. Knows that numbers identify how many objects are in a set. Beginning to represent numbers using fingers, marks on paper or pictures. Sometimes matches numeral and quantity correctly.</p>	<p><u>White Rose – It’s me 1, 2, 3 and Light and dark</u></p> <p><u>Number (40-60 months)</u> Uses the language of ‘more’ and ‘fewer’ to compare two sets of objects. Finds the total number of items in two groups by counting all of them. Says the number that is one more than a given number. Finds one more or one less from a group of up to five objects. In practical activities and discussion, begin to use the vocabulary involved in adding and subtracting</p>	<p><u>White Rose –Alive in 5! And Growing 6,7,8</u></p> <p><u>Number (40-60 months):</u> Recognises numerals 1 to 10. Counts out up to 10 objects from a larger group. Count actions or objects which cannot be moved. Selects the correct numeral to represent 1 to 10 objects. Counts objects to 10. Counts an irregular arrangement of up to 10 objects.</p>	<p><u>White Rose – Building 9 and 10 and Consolidation</u></p> <p><u>Number (40-60months):</u> Uses the language of ‘more’ and ‘fewer’ to compare two sets of objects. Finds the total number of items in two groups by counting all of them. Says the number that is one more than a given number. Finds one more or one less from a group of up to 10 objects. In practical activities and discussion, begin to use the</p>	<p><u>White Rose – On the move and Superhero to 20 and beyond.</u></p> <p><u>Number (ELG)</u> Children count reliably with numbers from 1 to 20 Recognises numerals 1 to 20. Counts out up to 20 objects from a larger group. Count actions or objects which cannot be moved. Selects the correct numeral to represent 1 to 20 objects. Counts objects to 20. Counts an irregular arrangement of up to 20 objects.</p>	<p><u>White Rose – First, then and now and Find my pattern</u></p> <p><u>Number (ELG)</u> Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing.</p> <p><u>Shape, space and measure:</u></p>

	<p>Shows curiosity about numbers by offering comments or asking questions. Compares two groups of objects, saying when they have the same number. Shows an interest in number problems. Separates a group of three or four objects in different ways, beginning to recognise that the total is still the same. Shows an interest in numerals in the environment. Shows an interest in representing numbers. Realises not only objects, but anything can be counted, including steps, claps or jumps.</p> <p><u>Measure, shape and spacial thinking – Compare size, mass and capacity. Exploring pattern</u> Shows an interest in shape and space by playing with shapes or making arrangements with objects. Shows awareness of similarities of shapes in the environment. Uses positional language. Shows interest in shape by sustained construction activity or by talking about shapes or arrangements. Shows interest in shapes in the environment. Uses shapes appropriately for tasks. Beginning to talk about the shapes of everyday objects, e.g. 'round' and 'tall' .</p> <p><u>Number (40-60 months)</u></p>	<p><u>Shape space and measure:</u> Beginning to use mathematical names 'flat' 2D shapes, and mathematical terms to describe shapes.</p> <p>Selects a particular named shape. Uses familiar objects and common shapes to create and recreate patterns and build models. Beginning to use everyday language related to money.</p>	<p>Records, using marks that they can interpret and explain. Begins to identify own mathematical problems based on own interests and fascinations.</p> <p><u>Shape, space and measure:</u> Orders two or three items by length or height. Orders two items by weight or capacity</p>	<p>vocabulary involved in adding and subtracting. Estimates how many objects they can see and checks by counting them. Records, using marks that they can interpret and explain. Begins to identify own mathematical problems based on own interests and fascinations.</p> <p><u>Shape, space and measure:</u> Beginning to use mathematical names for 'solid' 3D shapes and mathematical terms to describe shapes. Selects a particular named shape. Use familiar objects and common shapes to create and recreate patterns and build models. Uses everyday language related to time. Orders and sequences familiar events. Measures short periods of time in simple ways.</p>	<p>Place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. Uses the language of 'more' and 'fewer' to compare two sets of objects. Finds the total number of items in two groups by counting all of them. Says the number that is one more than a given number. Finds one more or one less from a group of up to 20 objects. In practical activities and discussion, begin to use the vocabulary involved in adding and subtracting. Estimates how many objects they can see and checks by counting them. Solve problems including doubling, halving and sharing</p>	<p>Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them.</p>
--	---	--	---	--	--	---

	<p>Recognise some numerals of personal significance. Recognises numerals 1 to 5. Counts up to three or four objects by saying one number name for each item. Counts actions or objects which cannot be moved Selects the correct numeral to represent 1 to 5, and then to 10. Counts an irregular arrangement of up to 5 objects. Shape, space and measure:</p> <p>Beginning to use mathematical names 'flat' 2D shapes, and mathematical terms to describe shapes. Selects a particular named shape. Uses familiar objects and common shapes to create and recreate patterns and build models.</p>					
<p>Understanding the world</p>	<p>People and communities (40-60 months): Enjoys joining in with family customs and routines. Children talk about past and present events in their own lives and in the lives of family members.</p> <p>The World: Looks closely at similarities, patterns and change. Children know about similarities and differences in relation to places. They talk about the features of their own immediate environment. They make observations of animals and plants.</p> <p>Technology: Completes a simple programme on a computer</p>	<p>People and communities (40-60 months): Enjoys joining in with family customs and routines. Children talk about past and present events in their own lives and in the lives of family members.</p> <p>The World: Looks closely at similarities, patterns and change. Children know about similarities and differences in relation to places. They talk about the features of their own immediate environment. They make observations of animals and plants.</p> <p>Technology: Completes a simple programme on a computer</p>	<p>People and communities (40-60/ELG months): They know that other children don't always enjoy the same things, and are sensitive to this.</p> <p>The World: Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur</p> <p>Technology: Children recognise that a range of technology is used in places such as homes and schools.</p>	<p>People and communities (40-60 months/ELG): They know that other children don't always enjoy the same things, and are sensitive to this.</p> <p>The World: Children know about similarities and differences in relation to places, objects, materials and living things.
