Welcome back

It has lovely to see so many happy, smiling children returning to school today. We have really missed them and are very pleased to have them back in school today. The attendance levels across the school are excellent and we thank you for your support in getting children up, dressed smartly in uniform and into school on time. This week the teachers will be very much focussing on re-establishing relationships, reminding children about the health and safety measures that are in place, settling them back in to class with PSHE and other gentle activities, and of course, because it is Science week, they will be doing some fun Science too!

Absence reporting email

If your child is unwell, please contact the school office by 9.15am by telephone 01884 252445 or email attendance@heathcoat.devon.sch.uk. This email address should also be used to notify the school of absence due to Covid symptoms. Please inform the school of Covid test results by forwarding a copy of the NHS Covid-19 notification email to attendance@heathcoat.devon.sch.uk

Return to school – not end of lockdown

As you are aware, children are returning to school today, however please can we remind you that lockdown is not over. In order to keep our staff and our community safe, please ensure that you are following the current guidelines from the Government. This includes not socialising inside other people's houses and also maintaining social distance whilst picking up and dropping off your children at the start/end of the school day.

Park Gate drop off and collection

Please wait in a queue at your designated time (not before), ensuring that you allow people space as they enter the school gate.

Parking safely and dropping off children

Polite reminder – parents must park safely not stop to drop children outside of the school gates.

Thank you for your support and consideration.
