Update Your
Contact Info

It is really important that the school has your correct contact details. If you have recently changed any of your contact details including email address, please could you advise the school office to enable us to keep your child's records up to date. It is the responsibility of parents to keep this information correct at all times.

Health and Safety concern – magnet toys

You may already be aware of a recent “playground craze” toy consisting of very small, powerful round magnets. They are brightly coloured, look like sweets, are traded on the playground and easily hidden.

These have caused severe injuries to children when swallowed, deliberately, or more commonly accidentally, when doing tricks that involve putting some of them in the mouth with more on the outside of the cheek. A recent incident in the County left a child in hospital. There are numerous newspaper reports of children undergoing significant abdominal surgery to have the magnets removed to avoid serious damage.

Please can we ask that children **do not** bring any toys into school.

Superhero day: 28th April 2021

The idea behind superhero day is to honour those who serve and protect and do the right thing! No matter who your favourite superhero is, honouring the real or fictional people that inspire us is a really worthwhile cause this April 28th. We would really like to thank and honour all of the people who have worked so hard during this pandemic, including all of our fabulous staff in school. Thank you to everyone in our school community who has worked so hard to keep us safe, especially NHS staff and carers.

In recognition of the hardwork of all our local superheroes who have been supporting us during these tricky times, children may come to school dressed as superheroes or wear a cape on Wednesday 28th April 2021.
