Absence reporting email

If your child is unwell, please contact the school office by 9.15am by telephone 01884 252445 or email attendance@heathcoat.devon.sch.uk, on **each day** that your child is absent. This email address should also be used to notify the school of absence due to Covid symptoms. Please inform the school of Covid test results by forwarding a copy of the NHS Covid-19 notification email to attendance@heathcoat.devon.sch.uk

Road safety

We appreciate that the start and the end of the day gets busy, but it is vital that all parents are considerate of all road users and don't park on double yellow lines or park so that roads are blocked. Children and parents need to be able to cross the road safely and emergency vehicles need access. Some of our neighbours have raised concerns about the safety of all members of the community due to inconsiderate parking. We have spoken to the children about road safety and ask that you ensure all members of our community are kept safe.

Mobile phones

We are mobile phone free site and parents are not allowed to use their phone whilst on site. You will be asked to end your call before entering the site.

Face coverings

Thank you to all those parents who are wearing a face covering whilst on the school site. We have noticed that some parents are removing their masks before they leave the site. We ask that you wear the mask until you have left our school site. If you arrive to collect your child and you don't have a mask you will have to wait outside the school grounds.

Learner of the week

FSDB Iris
FSG Grace
1BA Charlie
1P Tilly R
2D Alfie R
2P Emily
3E Amelia
3P Lucas P
4F Harvey
4K Frankie
5F Archie
5S Hayden
6H Ava J
6W Billy & Aidan

Lunchtime Behaviour

FSDB Lylla

Term Dates

Summer Half Term
Monday 31st May –
Friday 4th June

Last Day of Summer Term
Friday 23rd July

First Day of the Autumn Term
Wednesday 8th September

Autumn Half Term
Monday 25th October –
Friday 29th October

Heathcoat Heroes

The children below have all reached the very top of our learning behaviours and expectations system last week.

1P – Freddie & Tilly

3E - Kaitlyn

3P – Lucas P

TALKWORKS for Wellbeing in Parenthood:

This two hour workshop is available to families expecting a baby and with children under the age of 2. The workshop is aimed at supporting parents to build resilience and increase wellbeing in pregnancy and parenthood. Being pregnant and having a baby is thought of as a happy and exciting time. However, for some women and new parents, it doesn't always feel this way and can be an extremely overwhelming experience. It's completely normal to not feel as happy and able to cope as you thought you would. You might worry more than you expected and find decisions harder to make. At TALKWORKS our staff are trained professionals who are here to help you understand how your thoughts and feelings are affecting you and teach you some basic CBT techniques to build resilience and manage wellbeing in the perinatal period.

- Wednesday 5th of May at 6pm
- Tuesday 18th of May at 10am

Further information and dates can be found on the website www.talkworks.dpt.nhs.uk. To book a place please call the admin team on 0300 555 33 44

Are your contact details up to date?

Update Your
Contact Info

It is really important that the school has your correct contact details. If you have recently changed any of your contact details including email address, please could you advise the school office to enable us to keep your child's records up to date. It is the responsibility of parents to keep this information correct at all times.

Think behaviour, think language. I wonder if....

Communication and Interaction Team Social, Emotional and Mental Health Team

A free, informal workshop for parents and carers to consider the links between behaviour and speech, language and communication needs. This event will be held virtually on Tuesday 15th June 2021, 10am – 12pm

Does your child have difficulty with:

- Listening?
- Attention?
- Communication?
- Friendships?
- Literacy?

The session will aim to raise awareness of speech, language and communication needs (SLCN) and consider the impact on a child's social, emotional and mental health (SEMH). SLCN can become apparent through a child's behaviour in a variety of ways and we shall provide further insight into these complex links.

The session provides an opportunity to share ideas about what works for you and a chance to discuss and learn from other parents/carers.

To book your free place, please contact:
Sue Vanstone (01392)287355
sue.vanstone@babcockinternational.com
