Hello from Mrs Pickford

Hello children and families of Heathcoat Primary School.

I have been tasked with giving you all a little bit of information about myself so you get to know me better. This is a little bit odd I must admit as I already feel like I am already part of the furniture! I have already spotted lots of familiar faces, having worked here 10 years ago as a Newly Qualified Teacher, and coming to Heathcoat as a child.

I began my teaching career at Exeter University where I trained as an Early Years Specialist teacher, and have always worked within the Early Years in numerous schools across Devon and Somerset. I have a huge passion for early education, and am eager to get going lead the team forwards here at Heathcoat.

I am so thrilled to be back and joining the leadership team at Heathcoat Primary School. I am looking forward to getting to know you all and your wonderful children, and am honoured to be supporting them through their earliest steps in their education. The staff team at Heathcoat are wonderful and I know that your children can all thrive at this fantastic school.

Outside of school I am a mummy to two girls, age 5 and 3. We like to spend our weekends exploring the great outdoors, finding exciting parks, bike riding and swimming. We are also very lucky to have friends and family dotted about who we love to go and visit. I absolutely love eating out and am always looking for new restaurants to try.

If you ever need to contact me, I am always on the end of the nursery email nursery@heathcoat.devon.sch.uk or you can contact the school office.
