Queen's Jubilee day 27th May

As a whole school we will be celebrating the Queen's jubilee on Friday 27th May. Each class will take part in a range of activities related to the jubilee. As a school we will :

- learn the national anthem
- all wear red, white or blue clothes for the day
- have a whole school lunch on the field with music
- have an end of day assembly where each class has the opportunity to share something they have done on that day.

We will also be holding a competition which all children are invited to enter. This will be judged on the day. The competition entries are to be completed at home. There will be for 4 age categories

- Nursery & Reception
- Year 1 & 2
- Year 3 & 4
- Year 5 & 6

Please can children create a picture that they feel represents the Queen and can all entries be brought into school by Wednesday 25th May. Each child can choose to use whatever materials/techniques they would like to or they have available at home. We are looking forward to seeing the children's creations.

This is a great opportunity for the children to celebrate a special and unique event. We look forward to sharing photos from the day with you.

Road Safety

Practising road safety is vitally important to ensure everyone's safety. It becomes more and more important every year as traffic increases and children are given more freedom to travel to and from school without parents or guardians. The teachers will be speaking to the children in their class about road safety and keeping themselves safe when out and about. Please can we also ask parents to discuss road safety at home.
