

Peer-to-Peer Support Service

Are you a kinship carer?

A kinship carer is someone who is raising a relative's or friend's child.

We offer kinship families free support and advice.

We're also developing a new peer support service across England and online. We'd love you to join us for the journey.

The service will include:

- 1** 100 new kinship peer support groups developed across England which will be in-person and online
- 2** A dedicated website and e-learning resources
- 3** Online information workshops designed for kinship families
- 4** Online chat with trained kinship carer volunteers
