Reception

This week in reception we have been celebrating King Charles III Coronation. We have learnt about who King Charles is and a little bit about his family history. We now know that the Coronation is an important ceremony where the King will be crowned and he will be presented with an orb and sceptre. We have enjoyed lots of arts and crafts this week and have made crowns, finger print flags of the union Jack and collages of the Kings face. Our role play this week has been transformed into a royal palace and the children have loved dressing up as Kings and Queens wearing royal robes and crowns.

Wildwood residential year 4 2023

Year 4 had an amazing time during their recent residential at Wildwoods, Escott. They took part in metal forging, woodcarving and baking in the Anglo-Saxon village. They went to see the wolves, bears, arctic foxes and other animals who live on the site. They had fun running around and getting lost in the maze and playing on the very large drop slide. But most of all they enjoyed wading through the very wet, muddy and cold swamp. Take a look at some of our photos from the trip.
